LKG Prospectus 2025-26

Historical Reflections :-

CMS English Medium Higher Secondary School is an unaided school recognized by the Government of Maharashtra. The school started in the year 1994 by the organization "Chinchwad Malayalee Samajam" (C.M.S.) consisting of a group of very dedicated people with a very high sense of motivation.

The school stands for academic excellence, development of skill and character formation based on the love of God and service to mankind. The school aims at the overall development of the children with a sincere commitment to the Govt and the nation. The aim of the organisation is to make the school in to a harmonious breeding ground for productive, talented and pro-active Indians brought up in a constructive and friendly atmosphere.

Our Objectives :-

To assist the students in their quest for knowledge by providing an all-round education for their mental, physical, intellectual and spiritual development.

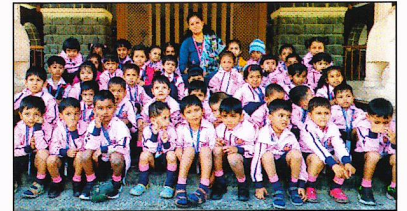

Co-Curricular Activities :-

The school offers a wide range of co-curricular activities which help students to develop problem-solving, reasoning, critical thinking, creative thinking, communication, self-expressions and collaborative abilities with the holistic development ensuring the formation of an integrated personality.

Educational Tours :-

Picnic helps in connecting children to nature and to know about similarities and differences in relation to places and make observations of the environment, explain why some things occur and talk about changes. Students talk about the features of their own immediate environment and how environment might vary from one another.

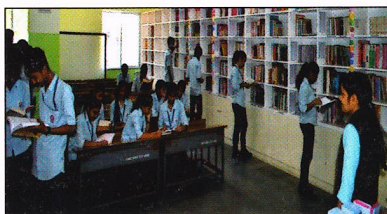

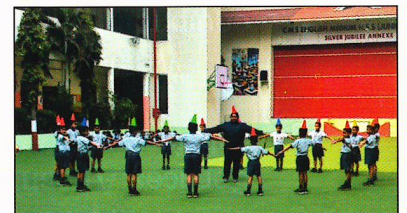

Computer Lab :-

Students invest their time in learning, programming, and automation and improving basic computer skills. That will help them later to define their career goals, entrepreneurship, and job opportunities. For skill development, students need to practice.

Physical Education :-

Due importance is given to physical fitness as it shows good control and co-ordination in large and small movements. Students move confidently in a range of ways, safely negotiating space. They handle equipment and tools effectively. Intramural tournaments in all games. among students under house system are conducted annually. Participation in interschool tournaments build kinesthetic skills.

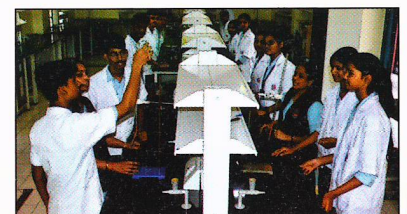

Library :-

Library generates information through various forms of collection, such as Books, Journals & Periodicals etc. An easy and ready access to library resources for updating the knowledge base of students. Our endeavour is to keep the users of library aboard of the state of the art inputs in respect of their levels. We are streamlining our constant efforts to build our library as an excellent centre for disseminating information.

Chemistry Lab :-

Chemistry lab with advanced equipment and facilities aid and stimulate our students to learn best with practical knowledge. It empowers them with better comprehension and moves their inquisitiveness in the correct direction.

Student Mentorship Programme :

Our mission is to establish a vibrant Student Mentorship program which fosters a Positive, Supportive, and Inclusive School Culture and we aim to nurture well-rounded individuals who excel in academics, leadership, and personal growth.

Salient Features of the School :-
