## Historical Reflections:

CMS English Medium Higher Secondary School is an unaided recognized by the Government of Maharashtra. The school started in the year 1994 by the organization "Chinchwad Malayalee Samajam" (C.M.S.) consisting of a group of very dedicated people with a very high sense of motivation.

The school stands for academic excellence, development of skill & character formation based on the love of God & service to mankind. The school aims at the overall development of the children with a sincere commitment to the Govt. & the nation. The aim of the organization is to make the school into a harmonious breeding ground for productive, talented & pro-active Indians brought up in a constructive & friendly atmosphere.

## Our Objectives:

Our school aims to provide quality education that nurtures intellectual, emotional, social, & physical growth. We focus on developing strong values, essential life skills, & a spirit of curiosity & creativity. Through modern teaching methods & a supportive environment, we encourage students to think critically, respect diversity, & become confident, responsible, & future-ready individuals.

## Co-Curricular Activities:

Co-curricular activities play a vital role in shaping well-rounded learners. They help students develop essential life skills such as teamwork, leadership, communication, & confidence. Through creative, physical, & social experiences, children strengthen critical thinking, problem-solving abilities, motor skills, & emotional resilience. These activities also nurture cultural awareness, responsibility, & respect for diversity-ensuring every child grows into a confident, capable, & future-ready individual.

## Educational Tours:

School picnics provide valuable learning experiences that help children develop social skills, independence & confidence. They learn to communicate, cooperate, & manage themselves in new environments while exploring nature & real-life surroundings. Picnics also enhance physical activity, observation skills, & problem -solving abilities, making them an enjoyable yet meaningful part of holistic development.

## Computer Lab:

Our computer lab provides students with hands-on exposure to modern technology & digital learning tools. It helps them develop essential skills in typing, coding, research, & creative problem-solving. With guided practice & age-appropriate software, students learn to use computers confidently & responsibly, preparing them for a tech-driven future.

## Physical Education:

Physical Education helps students develop essential motor skills, physical fitness, & overall body coordination. It fosters teamwork, sportsmanship, discipline, & confidence while enhancing strategic thinking & decision-making. Through regular physical activities, students build resilience, communication skills, & respect for rules, contributing to their holistic development.

## Library:

The library helps students develop strong reading & research skills while improving comprehension & vocabulary. It nurtures critical thinking, creativity, & curiosity through exposure to a wide range of books & resources. Regular library use also builds focus, independent learning habits, & a sense of responsibility, contributing to students' overall intellectual growth.

## Chemistry Lab:

Our Chemistry Lab provides a safe & well-equipped environment where students can explore scientific concepts through hands-on experiments. It helps them develop analytical thinking, observation skills, & a strong understanding of chemical reactions & processes. Guided practical work enhances accuracy, safety awareness, & a scientific approach to problem-solving, fostering curiosity & confidence in the subject.

## Students Ambassadorship Programme

Our Student Mentorship Programme provides personalised guidance & support to help learners grow academically, socially, & emotionally. Through regular interactions with trained mentors, students receive encouragement, goal-setting assistance, & help in overcoming challenges. The programme fosters confidence, communication skills, & responsible decision-making, ensuring every learner feels valued & supported throughout their educational journey.

## Tree Plantation Campaign:

Tree Plantation is a school initiative aimed at fostering environmental consciousness & responsibility among students by encouraging them to plant & care for trees at their homes. This campaign is designed to extend the school's green efforts beyond its premises, making students active participants in environmental conservation from their own homes.
